Our Mission

The Pennsylvania Nursing Workforce Coalition (PA-NWC) aims to advance a nursing workforce that will lead healthcare transformation by cultivating strategic partnerships with diverse populations and organizations.

Please note: The PA-Nursing Workforce Coalition (PA-NWC) values opportunities to collaborate and share resources that support our mission. References to external organizations, programs, or materials are provided solely for informational purposes and do not constitute an endorsement, recommendation, or approval by the PA-NWC. Any participation in shared initiatives reflects our commitment to advancing the broader field and should not be interpreted as promoting or validating the services, products, or positions of any other entity.

Network of Networks

The PA-NWC leads the state in creating learning communities for nurses and healthcare partners through in-person and virtual opportunities, including conferences, peer-to-peer learning, informal gatherings, and webinars.
